## OHIO PRIMARY CLOSE.

Preaches Peace at Camp Perry and Distinctly Appeals for Soldier Vote.

Governor Alights at Marion and Lunches at Counter Stool at Upper, Sandusky.

By 2 Staff Correspondent of THE SUN AND NEW YORK HURALD.

CAMP PERRY, Ohlo, Aug. 12 .- Gov. Cox pened his stumping campaign for the Presidency to-day, carrying the Demo cratic peace doctrine into a military G. O. P. SOLD POLAND preparedness camp. In typical "barnstorming" fashlon he travelled from Columbus, stopping at Marion among ther places, and late this afternoon de livered an address through which ran a one of pence idealism, before 3,000 expert markemen, members of the Rezular Army, various National Guará organizations and private rifle chubs.

Gov. Cox did not mention the League

of Nations specifically, but made his ap peal rather on the proposal for "the set tiement of controversy by the arbitra-ment of reason rather than by force." "I recognize that in a sense you are as To insure victory over the Socialists of the coming elections of Representatives to Congress and the Legislature the New York County Republican and Democratic committees agreed yesterday upon a fusion slate. It is their hope thus not only to wipe out the situation that arose with the ousting of the Socialists from the Association of the Socialists from the embled here for the purpose of increas

> Throughout the speech there was a istinct appeal for the soldler vote at antage of the opportunity of paying ribute to the victories of the American roops on the battle lines, particularly

which he asked greater public recogni-In closing his speech Gov. Cox delared that when the war came to an end many soldiers and officers found themselves without the special award ition, he said, which should to rem

ngement to prevent future wars.

disbursements of the United States Government from 1791 to 1918. It was suffient to have run the Revolutionary War for more than one thousand years at the rate of expenditure which that war involved. The army expenditures alone experts claimed, are a near approach to the amount of gold produced in the imerica to the outbreak of the European war, and yet the United States spent only about one-eighth of the entire cost of the war and less than one-fifth of the

expenditure of the allied side. If civilization has not had its lesson tien there is no hope for it. It could not stand such a war again and survive. The genius of man, if that is a happy term in discussing the horrors of conflict, has a'ways made the last war the most frightful. When we consider the development in the methods of human de-struction between 1914 and 1918 and apre staggered even to think of the posibilities of the sons of man again being ought into combat."

### Governor Alights at Marion.

On the way to Camp Perry Gov. Cox for their desire to satisfy a personal travelled through Marion, and he got off the train for a few minutes and shook bands with a group of men, women and children on the platform. Some of the bands with a group of men, women and children on the platform. Some of the newspaper men assigned to the Harding camp came down to the train, and there W. Wadsworth announced yesterday the was a general reunion with the newspersonnel of the Wadsworth campaign paper men accompanying Gov. Cox. There are approximately a dozen newsthe Senator's campaign in the primary, paper men with each of the candidates.

The nominee posed for a motion picture November. The committee consists of at Upper Sandusky, which was reached prominent Republicans from all parts shortly after noon. The Governor had lunch in the tiny station restaurant. He perched himself on a stool in front of the counter and picked the bones out o a pickerel which the station cook had prepared for him on advance information that he would be there. The presence of the Democratic Presidential candidate in drew such a crowd that some of the
